

Subscribe to American Vineyard

Electronic Submission Card

Use this form to subscribe via electronic submission only. If you have difficulty with this form, or prefer to mail your form in, use the other form to fill out manually and mail in.

If you are growing grapes or related to the industry in any way, you should be receiving American Vineyard. It is FREE to those in the grape industry.

Please fill out the form by typing into each field, and make sure the appropriate Business/Occupation box is checked. If you are a grower, please provide acreage for each type of grape crop. The date must also be filled in.

In order to qualify for the subscription, it is necessary for you to answer a simple personal question. Our subscription list is audited by an outside firm, and if the question is not answered, the subscription will not be processed.

What high school did you graduate from?				

Incomplete forms will not be processed!				

American Vineyard is free to those in or related to the grape industry. It's focus is on grape growing practices and grape industry news and events. It is not a consumer oriented magazine and is not available to the general public. We reserve the right to refuse subscriptions to those we feel are not in the grape industry
